WORK EXPERIENCE

Python Intern Internship, Uplyx Solution
10/2025 – 12/2025 | Virtual

I completed a Python internship at UPLYX Solutions, where I gained hands-on experience in Python programming, logical problem-solving, and basic project development. During the internship, I worked on core Python concepts, practiced writing efficient code, and understood how Python is used in real-world applications. This internship helped strengthen my technical skills and improved my confidence in programming.

EXTRA CURRICULAR ACTIVITIES

- Actively involved in technical trainings, internships, AI workshops, financial literacy programs, and content creation to enhance technical, analytical, and creative skills.

CAREER OBJECTIVE

A motivated B.Tech first-year student at GEC Sheikhpura with a strong interest in Python programming and content creation, seeking internships and learning opportunities to apply technical skills, gain real-world experience, and grow as a skilled IT
